

# FINANCIAL COMMITMENT FORM

SPAR is working with talented government affairs and communications professionals to shed light on the PBM crisis and underscore the need for legislative action. We regularly host meetings to educate groups and share solutions — but effective advocacy isn't free. SPAR's members dedicate their time and resources to this worthwhile cause.

Every donation helps and we ask that you would consider donating **TODAY** to help us get closer to our goal of preserving patient access and ensuring that neighborhood pharmacies can continue to serve their patients.
